Words and Music: Queen Lili'uokalani

Arrangement: Kay MacDierney

*Dedicated with love to the spirit of the  
Sweet Adelines International Convention  
Hawaii, November 2008*

It is truly a pleasure for Pride of Portland to present our beloved organization with the gift of Aloha Oe, arranged by one of our members - Kay MacDierney. As those of you who have travelled to Hawaii know, the people, energy, and spirit of the islands is unlike any other on earth. Paired with the love, joy, and harmony that we Sweet Adelines embody, our upcoming International convention should prove to be a magical event - not only for those of us fortunate to be competitors, but for all who will take part.

All of the tools you need to learn the song are on the website we created for this purpose: [www.alohaoeuvre.com](http://www.alohaoeuvre.com) - including learning tracks, pronunciation guide, and sheet music. We hope you will enjoy learning Aloha 'Oe and find time during our week together in Hawaii to say hello to us and other sisters in song and sing through this wonderful work.

Wishing you many fond embraces until we meet..

In Harmony,  
Ryan Heller and POP

*from the arranger:*

In 1981, when I first stepped off the plane in Hawaii, I felt like I had come "home". When I joined my first Sweet Adeline Chorus, Na Leo Lani, I felt that I had found my voice. As my love for both blossomed during my time there, I began learning to arrange in the barbershop style and was naturally drawn to Hawaiian music. Even as I moved to Portland and joined Pride of Portland Chorus, my soul seemed inextricably woven with threads of Hawaii and Sweet Adelines. In the more than 25 years since I first experienced Hawaii and barbershop, my emotions for both have only intensified and it is with these feelings that this arrangement was lovingly written in honor of the 2008 Sweet Adeline Convention being held in Honolulu. I am truly coming home.

Aloha,  
Kay MacDierney
